Internment for Cremation	\$250
<i>Meals are prepared by Immanuel service groups who donate much of the food. Meals include rolls, pickles, beverages, and dessert. If the family would like to provide additional food they are welcome to, as long as it comes ready to serve. Donations made by the family help cover the out-of-pocket costs of ingredients. Numbers of guests are based on the anticipated number of people expected to eat the meal.</i>	
Notes When funerals are handled through funeral homes, the amounts listed above are generally paid for through the funeral home. When funerals are handled independently or through the Cremation Society these expenses are not covered. Families are asked to donate the amounts to cover the expenses not paid for through the funeral home or Cremation Society. Immanuel Lutheran Church will never turn away a funeral for someone who is unable to pay the recommended funeral donation. If you are unable to make the recommended donation, please simply contribute whatever you can toward these expenses. We will provide the funeral service and meal free of charge if needed.
